**It’s A Family Affair As New Owners of Family Eatery Create Authentic Mexican Fare
Using The Owners Mother’s Original Recipes from Ensenada, Baja California**

VENTURA, Calif. – (September 2021) – Inspired by the coastal cuisine of Ensenada, Baja California, the new owners of Baja Bay Surf N’ Taco in Ventura Harbor Village are dishing up a fresh menu featuring savory Mexican fare. Entrees originate from Co-Owner, Ricardo (Rick) Magana's Mom’s Baja style home-cooked meals and her experience working in a fish factory in Baja, California where she shared her authentic recipes.

“We were inspired to open up a Mexican restaurant in Ventura Harbor Village because of our love and passion for cooking homemade Mexican food. We dreamed of one day having our own restaurant which has now become a reality,” says Co-owners Rick Magana and his wife Christina.

Baja Bay Surf N’ Taco (one of 18 dockside restaurants at scenic Ventura Harbor Village) uses fresh, local ingredients in everything from the flavorful fresh fruit in their signature drink, Agua frescas, to the fresh catch of the day, including the eatery’s signature dish, delicious halibut fish tacos that are beer battered mix from a secret family recipe.

Other popular daily specials include:

- Ensenada-style battered or marinated grilled halibut, shark or shrimp tacos
- Mouth-watering grilled Carne asada and chicken tacos
- Delicious burritos with shark, halibut, shrimp, chicken, Carne asada or a veggie option
- Handcrafted Agua frescas, using locally grown fruit from Ventura County produce vendors. The refreshing drinks include cantaloupe, cucumber, horchata, pineapple, lime, mango, strawberry, watermelon.

Diners from near and far can also savor the taco combo plates that provide a choice of tacos accompanied by fluffy Jasmine rice and fresh Peruvian-style beans, in addition to delectable

side dishes such as fresh chips and homemade salsas. A great vegetarian option is the veggie burrito.

The restaurant offers both indoor, patio and take-out dining and prices range from \$4 for side dishes to \$15 for a combo plate.

Located in a prime location in Ventura Harbor, the Restaurant is located at [1567 Spinnaker Dr #104, Ventura, California, 93001](#) in Ventura Harbor Village adjacent to the picturesque Surfers Knoll Beach.
